GREETINGS

As Mayor and on behalf of the City of Chicago, I extend warmest greetings to everyone gathered for the Asian Health Coalition's Substance Abuse Prevention Program taking place in the Chinatown community.

In honor of Alcohol Awareness Month, sponsored by the U.S. Department of Health and Human Services, program organizers are holding a town hall meeting with the goal of promoting adolescent substance abuse prevention and adult cessation and treatment. The town hall meeting will feature expert panelists to address specific issues and identify local substance abuse prevention resources.

I commend all of those participating in such an important and worthwhile event, and extend my best wishes for a successful and meaningful program.

Sincerely,

Mayor
